ACKNOWLEDGMENT

Praise is to **ALLAH** the almighty who graciously favored us to get over this work and enable us to accomplish this achievement.

I would like to convey my sincere thanks and almost appreciation to my respectable supervisor **Dr. Ali Mohammed Hamdan** for his vital encouragement, support and the considerable effort in guiding us.

Also I would like to cease this opportunity to thank **Eng. Elsiddig Abdelazim Babiker** who support and help me finishing this research. I would like also to express my acknowledgments to all those who directly and indirectly contributed to the support of this research in the provision of the knowledge, data and references which this research had relied upon them.
