

List of Tables

Table No	Titles	Page
2.1	Life Expectancy (years) at Birth in Selected Countries, 2005-2010	24
3.1	Poverty Trends in Sudan Over 1968-1993	35
3.2	Human Poverty in Northern and Southern States, in Sudan 1993-2000	35
3.3	Income Inequality in Sudan, 1968-1996	36
3.4	Federal Government Budget and Decomposed Revenue (% of GDP) 1980-2002	41
3.5	Allocation of Federal Expenditure by Chapters, 1992-2002	46
3.6	Federal Expenditure by Functional Classification, 2001-2003	48
3.7	Structure of Federal Expenditure, 2003- 2009 in millions SDG	49
3.8	the Economic Structure of Sudan 2004 - 2009	49
3.9	Federal and Northern States Health Spending in Sudan 2000-2005	52
3.10	Federal and Northern States Education Spending in Sudan, 2000-2005	54
4.1	Total Federal and State Expenditure on Social Services in Sudan (2000 - 2002	59
4.2	Some Social Indicators and MDGs for Sudan	60
4.3	the Ten (10) Leading Diseases of Admission Hospitals for 2003	63
4.4	the (10) Leading Causes of Deaths in Hospitals (%) form Total Deaths 2003	63
4.5	Health Expenditure in Sudan during the period 1995-2009	69
4.6	Public Expenditure on Education in Sudan Compared to World Countries (1990 – 2001/2002)	73
4.7	The Distribution of Current Investment in Basic, Secondary and Tertiary Educational Level in Sudan (1993/1994-2008/2009	75
4.8	Number of Schools, Students, Teachers and their Growth Rates in Sudan (2000/2001 – 2008/2009)	76
4.9	Regional Distribution and Share of Main Regions in Total Number of Schools in Basic and Secondary Education in Sudan	76

	(%) (2001-2009)	
4.10	Regional Distribution of Student's Enrolment Rate in Basic Education Level defined by Education Levels and Gender in Sudan (%) (2001-2009)	82
4.11	Regional Distribution of Student's Enrolment Rate in Secondary Education Level defined by Education Levels and Gender in Sudan (%) (2001-2009)	82
4.12	Regional Distribution of Student's Enrolment Rate in Tertiary and Higher Education Level defined by Education Levels and Gender in Sudan (%)2001-2009	82
4.13	Sudan Basic Education Certificate Basic Results Percentage of Successors (%) by Sex and State (2000/2001-2008/2009)	84
4.14	Sudan Secondary School Certificate Percentage of Successors According to Education Type (1996/1997-2007/2008) (%)	85
5.1	the Goalpost for Calculating Social Development Index.	90
6.1	Descriptive Statistics of Health Physical Infrastructure Component 1980 - 2009	105
6.2	Descriptive Statistics of the Health Manpower Component during the Period 1980 - 2009	106
6.3	Descriptive Statistics of the Health Attainment Component during the Period 1980 - 2009	107
6.4	Descriptive Statistics of the Gross Enrollment Rate and Adult literacy Rate in Sudan during the Period 1980 - 2009	108
6.5	Descriptive Statistics of Education Infrastructure Component in Sudan 1980 - 2009	108
6.6	Descriptive Statistics of Health and Education Indices during the Period (1980-2009)	110
6.7	Descriptive Statistics of Explanatory Variables of Health Index Equation	110
6.8	Descriptive Statistics of Education Equation Variables (1980-2009)	111
6.9	Descriptive Statistics of Social Development Equation in Sudan 1980 -2009	113
6.10	the Effects of Real GDP Per capita, Public Expenditure on Health and Under-Five Mortality on Health Index in Sudan (1980- 2009)	115

6.11	Pearson Correlation Matrix of Explanatory Variables of Education Index Equation in Sudan 1980 -2009	119
6.12	the Estimated Results of Education Equation (1980 -2009)	119
6.13	Pearson Correlation Matrix of Explanatory Variables of Social Development Index in Sudan 1980 -2009	123
6.14	Pearson Correlation Matrix between Social Development Expenditure Variables 1980-2009 in Sudan	124
6.15	The Estimated Results of Social Development Equation 1980 - 2009	124
