الآية

بسم الله الرحمن الرحيم

قال تعالى:

رفأر داتي ودمي ودم أضي ودم خليما ولطيفون رأين وآئين ورحمين

صرت لله العظيم

البقرة (32)
Dedication

• To our parents for their warm, kind encourage, and love.

• To our lecture, who broadened our minds and concepts concerning the science and school of mechanical engineering.

• To our colleagues and every person give us something to light our pathway and believing in us.

• We dedicate this search to them all.
Acknowledgement

- To our God who guide us through the way.
- We would like to express our sincere appreciation and deep gratitude to our supervisor Abd Allah Mokhtar Mohammed for his support guidance and helping.
- And our thanks with great appreciation to the man who get our research to the light: Eng. Zuhier Mohammed Elshiekh, and all worker on KHARTOUM NORTH POWER STATION, And everyone helped us in this project.
