

# Acknowledgements

I praise Allah, the almighty who gave me health, strength, and  
.patience to conduct this research study

Fires and foremost, highly indebted to Dr. El-Abbas Doka Mohamed Ali my supervisor for his keen guidance enthusiasm, encouragement, constructive comments and willing criticisms that have contributed to whatever level of lucidity. His kindness, sound advice, valuable assistance and help given to me throughout the execution and writing of this study are  
.highly appreciated

I wish to express my deeply thanks to the all Soil and Water  
.Science Department staff

Special thanks are extended also to the staff of the laboratory of Soil and Water Science Department, at Collage of Agricultural Studies. Assist me in all soil analysis Specially  
.Mohamed Abdelgabbar
