Dedication		i
Acknowledgment		ii
Abstract in English		iii
Abstract in Arabic		vii
List of contents		xi
List of tables		xiv
 <b>Chapter one</b> <b>Introduction</b>		
1-1	Introduction	1
1-2	Problem statement	4
1-3	Importance of the study	5
1-4	Objectives	5
1-5	Hypotheses	5
1-6	Variables	6
1-7	Definition of terms	6
 <b>Chapter two</b> <b>Literature Review</b>		
2-1	Historical background of tribal conflicts in Darfur area	8
2-2	Livelihoods in North Darfur before conflict	9
2-3	The concept and definitions of food security	12
2-4	Food security situation in Darfur	15
2-5	Food security policies in Darfur	17
2-6	Darfur state food economy system	20
2-7	Food security and Gender	25
2-8	Causes of food insecurity	27
2-9	House-hold food insecurity	29
2-10	Humanitarian aid	30
 <b>Chapter three</b> <b>Research Methodology</b>		
3-1	Area of study	33
3-2	Research problem	35
3-3	Hypotheses	36
3-4	Objective	37

3-5	Population	37
3-6	Sample selection	38
3-7	Sample Selection Technique	39
3-8	Sample size	39
3-9	Data collection instrument	39
3-10	Type of data collection	40
3-11	Source of data	40
3-12	Methods of data analysis	41

## **Chapter four**

### **Analysis of Data**

4-1	Descriptive analysis	42
4-2	Description of household heads By Sex	42
4-3	Description of household head sby family Size	43
4-4	Description of household heads by social statuae	44
4-5	Description of household heads by Economic activity before conflict	45
4-6	Description of household heads by Economic Activity after Conflict	46
4-7	Description of household heads by living Situation after conflict	47
4-8	Description of household heads by existing Situation of the house	48
4-9	Distribution of household heads by live stock Status	49
4-10	Description of household heads by what happen to the farm	50
4-11	Description of household heads by Problem faced to natural farming	51
4-12	Description of household heads by repeated Attack that lead to stop farming	52
4.12	Chi square test of main source of food before conflict by sex of household heads	53
4.13	Chi square test of main source of food during conflict by sex of household heads	54
4.14	Chi square test of number of meals before conflict by sex of households heads	55
4.15	Chi square test of number of meal during by sex of household heads	56
4-16	Chi square test of what happen to their cash and previous saving satisfaction by sex of household heads	57
4.17	Chi square test of previous saving by sex of household heads	58
4.18	Chi square test of capability to find cash for buying food by sex of household heads	59
4.19	Chi square test of decreasing number of meal because of money by	60

	sex of household heads	
4.20	Chi square test of type of humanitarian assistants by sex of household heads	61
4.21	Chi square test of distribution of humanitarian assistance by sex of household heads	62
4.22	Chi square test of distribution of humanitarian aid according to sex of household heads	63
4.23	Chi square test of effect of family size by sex of household heads	64
4.24	chi square test of quality of food that offered per month by sex of household heads	65

### **Chapter Five**

5.1	Summary of findings	66
5.2	Conclusion	69
5.3	Recommendations	70
	Bibliography	72

### **List of Tables**

<b>Table</b>	<b>Title</b>	<b>Page</b>
2-1	Different causes of food insecurity in north Darfur	17
2-2	Food Economy Types In North Darfur	22
3-1	Sample size selection	39
4-1	Descriptive analysis	42

4-2	Description of household heads By Sex	42
4-3	Description of household heads by family Size	43
4-4	Description of household heads by social status	44
4-5	Description of household heads by Economic activity before conflict	45
4-6	Description of household heads by Economic Activity after Conflict	46
4-7	Description of household heads by living Situation after conflict	47
4-8	Description of household heads by existing Situation of the house	48
4-9	Distribution of household heads by live stock Status	49
4-10	Description of household heads by what happen to the farm	50
4-11	Description of household heads by Problem faced to natural farming	51
4-12	Description of household heads by repeated Attack that lead to stop farming	52
4.16	Chi square test of main source of food before conflict by sex of household heads	53
4.17	Chi square test of main source of food during conflict by sex of household heads	54
4.18	Chi square test of number of meals before conflict by sex of households heads	55
4.19	Chi square test of number of meal during by sex of household heads	56
4-16	Chi square test of what happen to their cash and previous saving satisfaction by sex of household heads	57
4.25	Chi square test of previous saving by sex of household heads	58
4.26	Chi square test of capability to find cash for buying food by sex of household heads	59
4.27	Chi square test of decreasing number of meal because of money by sex of household heads	60
4.28	Chi square test of type of humanitarian assistants by sex of household heads	61
4.29	Chi square test of distribution of humanitarian assistance by sex of household heads	62
4.30	Chi square test of distribution of humanitarian aid according to sex of household heads	63
4.31	Chi square test of effect of family size by sex of household heads	64
4.32	chi square test of quality of food that offered per month by sex of household heads	65

## List of Figures

<b>Table</b>	<b>Title</b>	<b>Page</b>
1	– Source of food before conflict	74
2-	– Source of food during conflict	75
