

DEDICATION

To the soul of my father, to my
mother

To my dear brothers and
sisters

To my all family
To my teachers, friends, and
colleagues

With best love and respect

ACKNOWLEDGEMENT

I would like to thank my supervisor professor Abdel Hafeez Ali Mohamed Yeddi, College of Forestry and Range Science, Sudan University of Sciences and Technology, for providing unlimited advice, encouragement, guidance and supported me to finish this work. I'm particularly grateful to my family for their patience and support throughout this work. My thanks are also extended to my brothers and sisters, for their valuable support. I would also like to acknowledge with gratitude the invaluable support of Dr. Mosab Abdalla and Dr. Abdulrahman Mohammed Taher. I'am deeply grateful to Ustaz Sahar Ezzat, Galal Abas and Tigani Ismail Hassan, Bahary University, Department of mathematic. My warm thanks are extended to all those who assisted and cooperated with me till the accomplishment of this work. For all those whom I may have forgotten to mention, I offer my sincere apologies. Finally my special appreciation is due to all members of family, my teachers, friends, and colleagues B.Sc. Elfashir University especially in forest and range sciences department and M.Sc. Environmental Forestry, Sudan University of Sciences and Technology.
