To my teachers with respect

To all of my colleagues and friends, and everyone who this work will help him

Acknowledgements

My thanks to Allah, the creator, the maker, the most merciful, everything in the heavens and the earth glorifies HIM. Because of his great help, first in my all life, and second in finishing this research; I thank him so much.

I would like to express my deepest appreciation and gratitude to my *supervisor: Dr. Jiddani Osman Addlan Kalcon*. His guidance and support was essential for the development of this project. I could not have imagined a better mentor than Him. His insightful experience and editorial assistance have always been immensely helpful.

I gratefully acknowledge my teachers for their invaluable lessons in science and life.

I am ever thankful to Engineers in NEC for helping me to pursue my research without them, this scientific journey may not have occurred.
