Abstract

This Thesis Covers, The Story – Life of Malcolm X, Particularly the Period, When he was a Member of Organization (Nation of Islam). Founded by Elijah Mohammed. This Part of his Life Witnessed his Ascendancy inside The Different Organs of Organization as Well as outside it, until he became so close to its Leader, Mr. Mohammed. That closeness made Mr. Malcolm a target of malicious envy, jealous and intrigues to murder him . which led eventually to his decision to Leave the organization . This decision was materialized especially after his Return from his journey to (The Holy Land) and the (Hajj) to Mecca. Back in America, Mr. Malcolm X Founded a new organization named (Muslims Mosque International).
