

Table of Tables

Ser.No		Page
1.6.1	Types of Syringes	7
1.7.1	National and International Standards for Syringes	8
2.2.1	Long Term conditions	12
2.2.2	Accelerated and intermediate conditions	12
4.1.1	Absorption results	26
4.1.2	Silicon oil residues result at zero time	27
4.1.3	Silicon oil residues result after one month	27
4.1.4	Silicon oil residues result after two month	27
4.1.5	Silicon oil residues result after three month	27
4.1.6	Silicon oil residues result after six month	28
4.1.7	Reducing substances results	28
4.1.8	Alkalinity results	29
4.1.9	Volume and dead space results at zero time	29
4.1.10	Volume and dead space results for one month	30
4.1.11	Volume and dead space results for two month	30
4.1.12	Volume and dead space results after three month	31
4.1.13	Volume and dead space results after six month	31
4.1.14	Liquid/Air leakage tests results	32
4.3.1	Sterility tests results at zero time	33
4.3.2	Sterility tests results after one month	34
4.3.3	Sterility tests results after two month	35
4.3.4	Sterility tests results after three month	36
4.3.5	Sterility tests results after six month	37
