

Chapter One

- **Introduction**
- **Research objectives**
- **Problem statement**
- **The importance of study**
- **Research hypotheses**
- **Research Structure**

Chapter Two

Performance in construction project

- **construction management**
- **Success of construction project**
- **Performance of construction project**
- **Problems of Performance in Construction project**
- **Measurement of Project Performance**
- **Performance criteria**
- **Factor Affecting Performance of Managers**
- **Factors Affecting Cost and Time Performance**
- **Common Factors Affecting the Construction Project Performance**

Chapter Three

- **Research Methodology**
- **Results analysis and discussion**

Chapter Four

- **Conclusion**
- **Recommendation**
- **Reference**
- **Appendix**
