

Chapter five

Implementation of the Project

5.1 Main Screen:

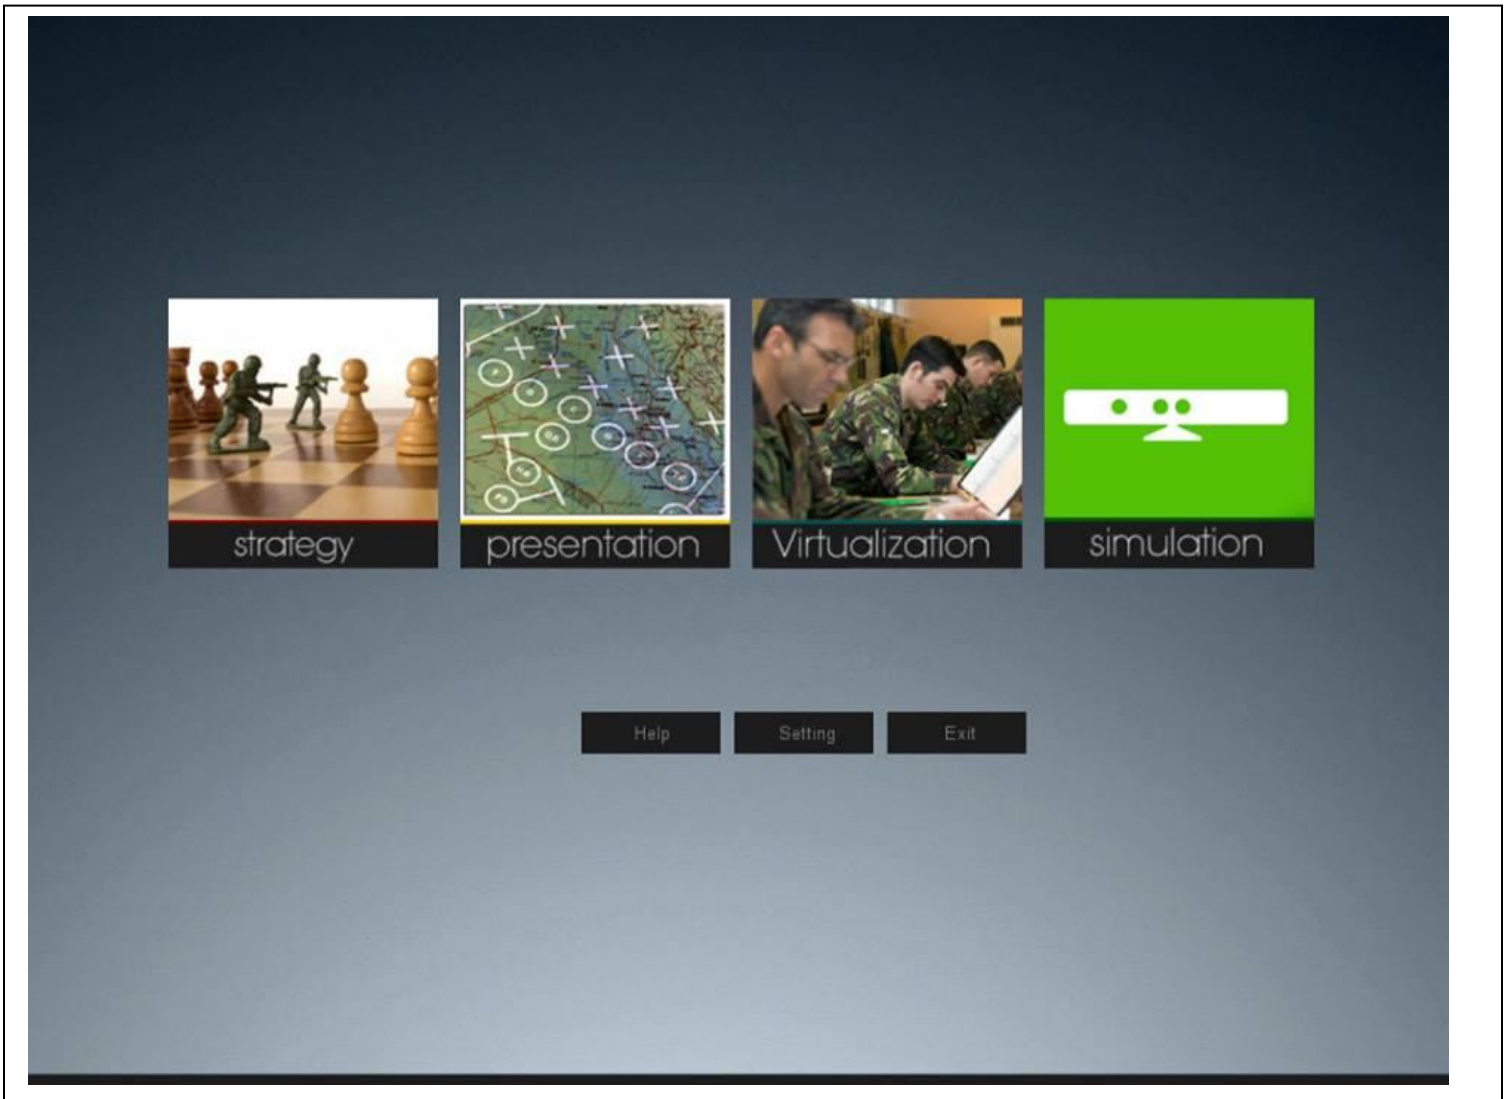

Figure 5.1: Main Screen

The main screen contains five buttons, leading to five different screens (Strategy, Training, Learning, Help, About).

5.2 Presentation Screen:

Figure 5.2: Presentation Screen

The presentation screen helps to represent the plan in graphical elements.

5.3 Simulation Screen:

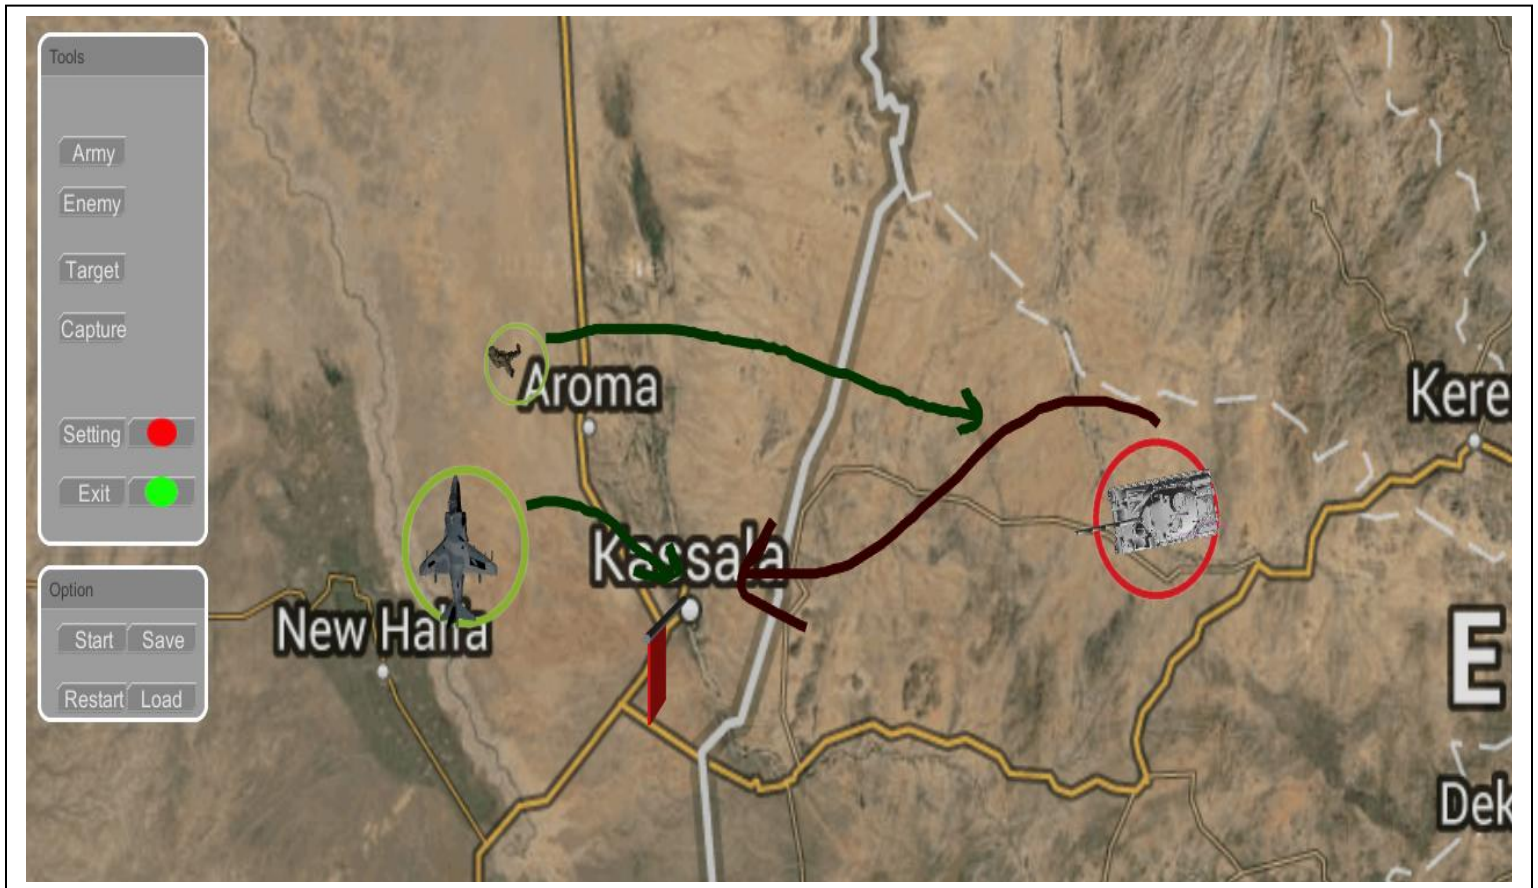

Figure 5.3: Simulation Screen

This screen helps the user to create a strategy plan and contains the algorithms to get the result of simulation.

5.4 Training Screen:

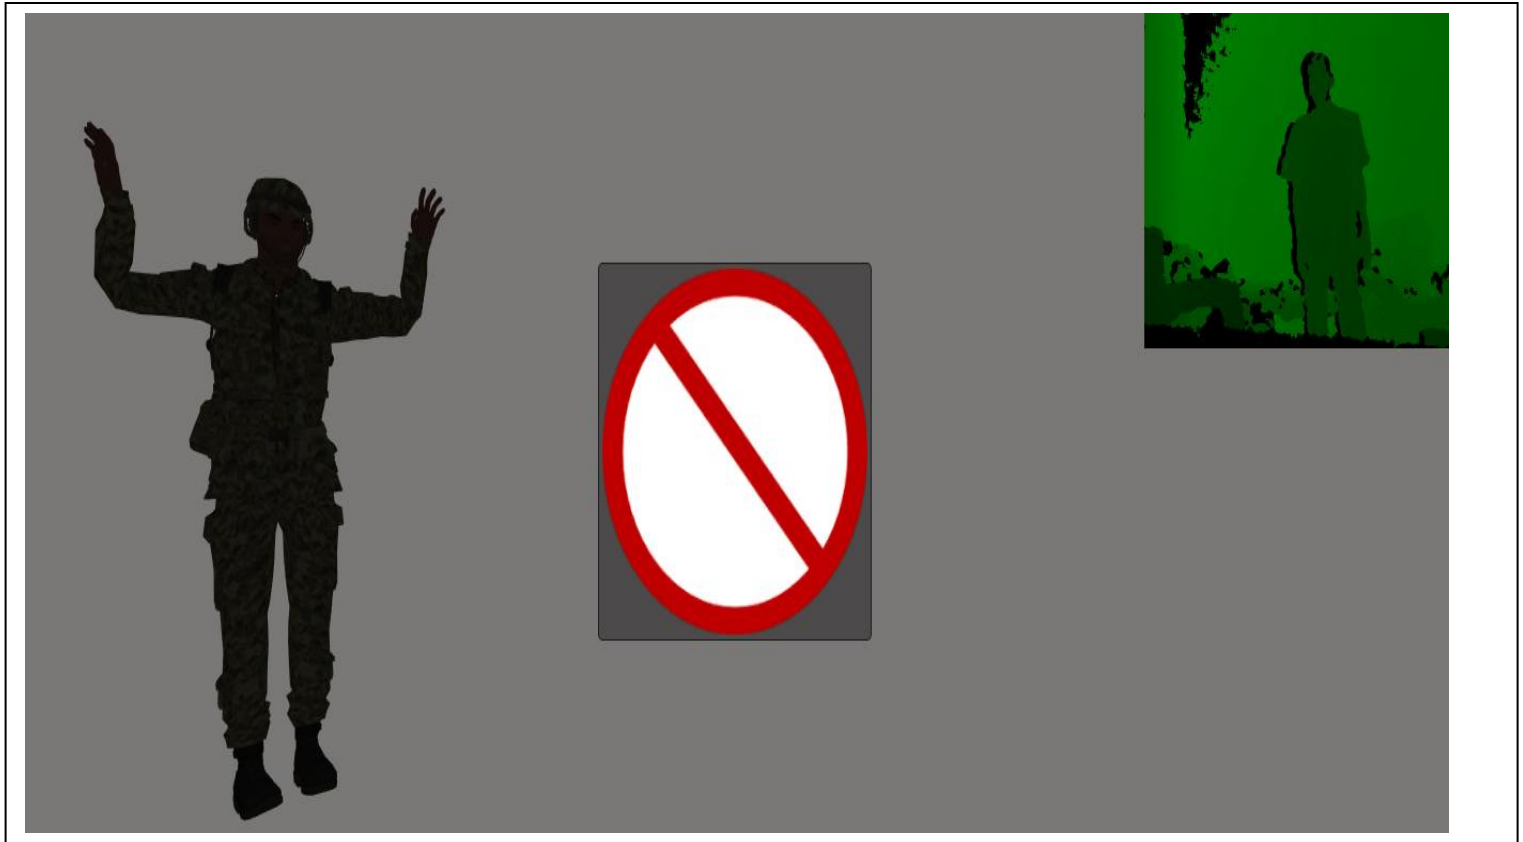

Figure 5.4: Training Screen

The training system gives the user the medical help for the injured people.

5.5 Learning Screen:

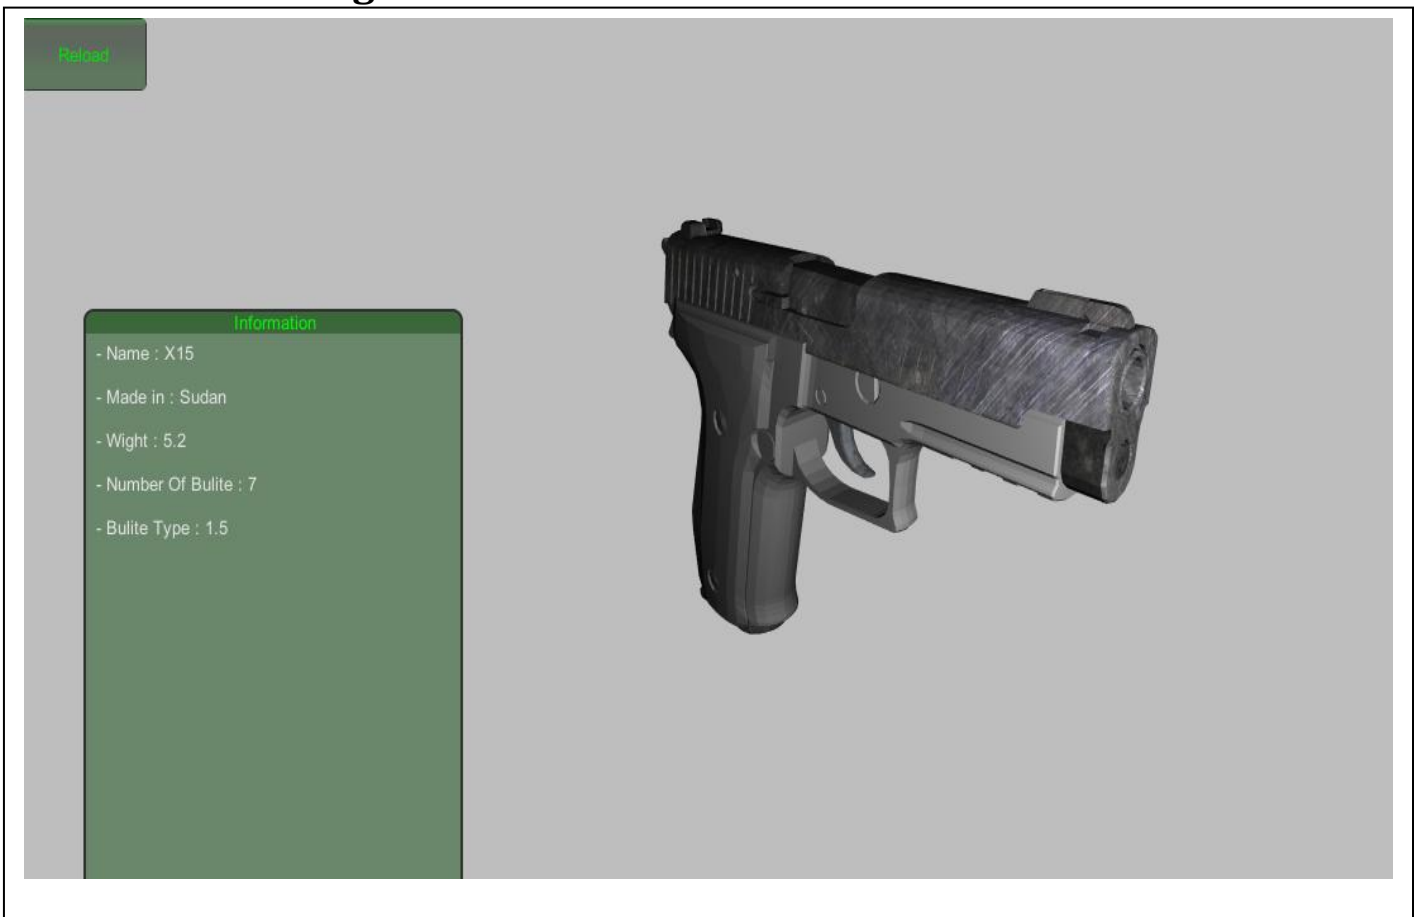

Figure 5.5: Learning Screen

The learning system gives the user information about specific weapons.
