

List of Figures

Number of Figure	Name of Figure	Page Number
Figure (1.1)	Techniques Stages	1
Figure (1.2)	Traditional Stage	2
Figure (1.3)	Middle Stage	2
Figure (1.4)	General idea about modern methodology	3
Figure (1.5)	Modern Methodology	4
Figure (2.1)	Describes the ways of transfer between user and bank	8
Figure (2.2)	Describe Relation between User & Merchant	11
Figure (4.1)	Modern Methodology	29
Figure (4.2)	Application program First Screen "Welcome"	30
Figure (4.3)	Application program Screen of "Login"	30
Figure (4.4)	Application program Screen of "Services"	31
Figure (4.5)	Application program Screen of "Transfer Money"	31
Figure (4.6)	Summary Process	32
Figure (4.7)	System Boundaries	34
Figure (4.8)	Consider use of enhanced modeling concepts	36
Figure (4.9)	Validate conceptual model against user transactions	43
Figure (4.10)	Logical data base design	44

Figure (4.11)	Detailed web services process	51
Figure (4.12)	Summary to diagram Process	52
Figure (4.13)	Building a web service	53
Figure (4.14)	Visual C# "Building a Client	53
Figure (4.15)	Web Reference	54
Figure (4.16)	Web Services	54
Figure (4.17)	Web Services Security Architecture	55
