LETTER OF RECOMMENDATION

Dear Selection Committee,

It is a true pleasure to write this letter of recommendation for **Ms. Fairou Abdaldaym Mohammed Abdalgadir**. I have known her for three years, since she joined program of medical laboratory sciences, Academy of Health science .In the year 2017she earned her degree of Bachelor of medical laboratory science in medical microbiology. Besides, she joined Institute of Endemic Disease, University of Khartoum for a one year Qualifying Program.

She drew my attention through her distinguished and exquisite academic performance. Ms. **Fairou** without any question she was one of the most brilliant and outstanding student. She proved to be a model student. As I got to know her over the three years, I became only more impressed by the wide range of her capabilities. Actually, she was extremely conscientiously about her work and about attending class and laboratory sessions as well. Because of her hard work she out-classed her peers. Furthermore, Ms. **Fairou** made intelligent and insightful contributions during full class study discussions.

Additionally, I whole-heartedly recommend her as a prospective scientist In fact, I can think of few peoples whom I would recommend highly.

Please feel free to contact me if there is anything else
