

AFLATOXIN INCIDENCE ON GROUNDNUT AT DIFFERENT STAGES OF CROP HANDLING AND PROCESSING

By
Kamal El Hadi Mohamed

A thesis submitted to Sudan University of Science and Technology,
College of Graduate Studies, for the fulfillment of the requirements for
the degree of MSc. in chemistry

Under supervision of
Dr. Mohammed El Mukhtar Abdel Aziz

Department of Chemistry
College of Science
Sudan University of Science and Technology

September 2005

CHAPTER ONE
INTRODUCTION

CHAPTER TWO
LITERATURE REVIEW

CHAPTER THREE
TECHNIQUES AND METHODS OF
ANALYSIS OF AFLATOXIN

CHAPTER FOUR
EXPERIMENTAL

CHAPTER FIVE

RESULTS

CHAPTER SIX
DISCUSSION

CHAPTER SEVEN
CONCLUSION, RECOMMENDATIONS AND
SUGGESTION FOR THE FUTURE
RESEARCH WORK
