

**Sudan University of Science and Technology**

**College of Graduate Studies**

**Comparative Study of Emulsion Qualities of  
Sudanese Gums Using Laser Light Scattering**

A thesis Submitted for the Partial Fulfillment for Requirements of Master  
Degree in Laser Application in Chemistry

By

**Amira Abd El-Aziz El hassan Satti**

*(B.Sc. Honour- Chemistry)*

Supervised by

**Dr. Elfatih Ahmed Hassan**

Sudan University of Science and Technology

Faculty of Science - Chemistry Department

**Prof. Nafie Abd Al-Lattief**

Sudan University of Science and Technology

Institute of laser

December 2004
