

Acknowledgments

Praise is in the first place almighty Allah, who endowed me With health and aptitude for completing the work. Next, I wish to express my sincere thanks and gratitude to my supervisor **Dr. Shawgy Hussein Abd Allah** for helpful supervision throughout this work. To my mother **Dr. Salwa Osman Ellaithi** and my husband **Mr. Khalid Awad Elseed** for their encouragement support and help. My sincere thanks are also extended to Mrs. Mona Zian Alabdeen for typing this manuscript.
