Key of patient's data sheet

The Number (1) represent:-

Cystic mass , house wife, married , north and middle, right side, less than 5cm and free fluid in pouch of Doglus.

The Number (2) represent:-

Complex, workers, single, east, left side, 6-10cm, fluid in pouch of Doglus.

The Number (3) represents:-

Solid, west, bilateral, more than 10cm

The Number (4) represent:-

South

Appendix (B) (Images)

UB :- Urinary bladder

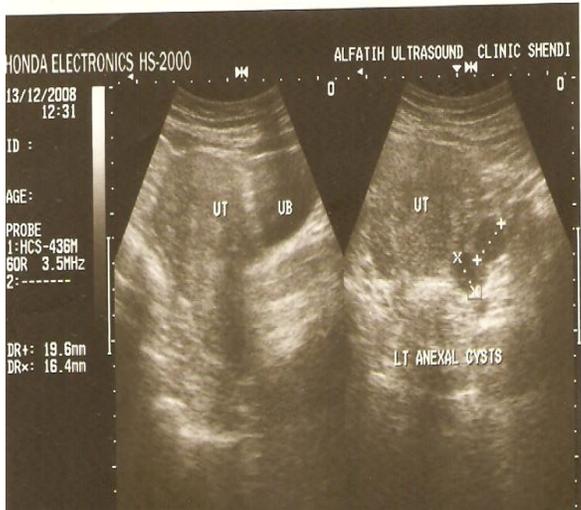

UT :- Uterus

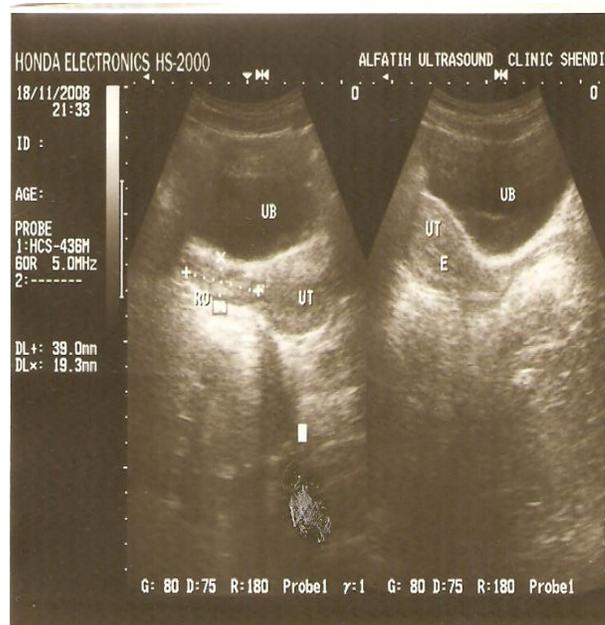

Left (Lt) ovarian cyst

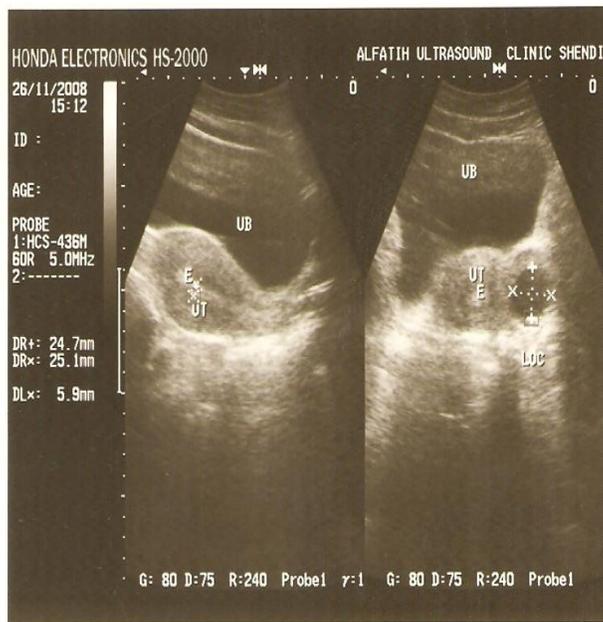

Right (Rt) ovarian cyst

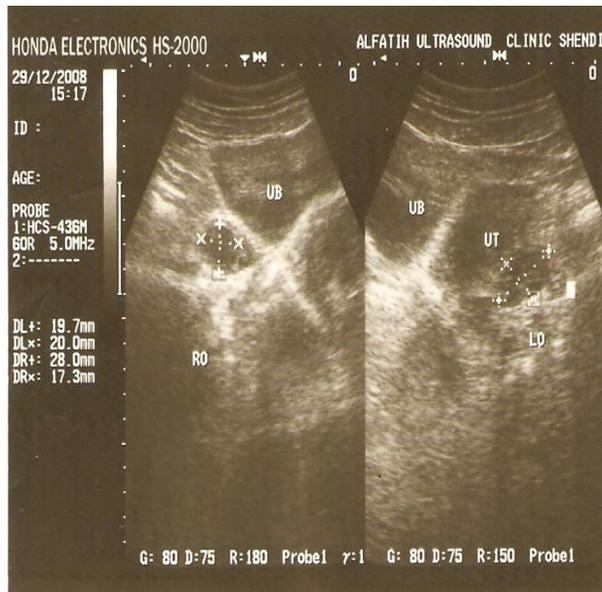

Polycystic ovaries (pco)

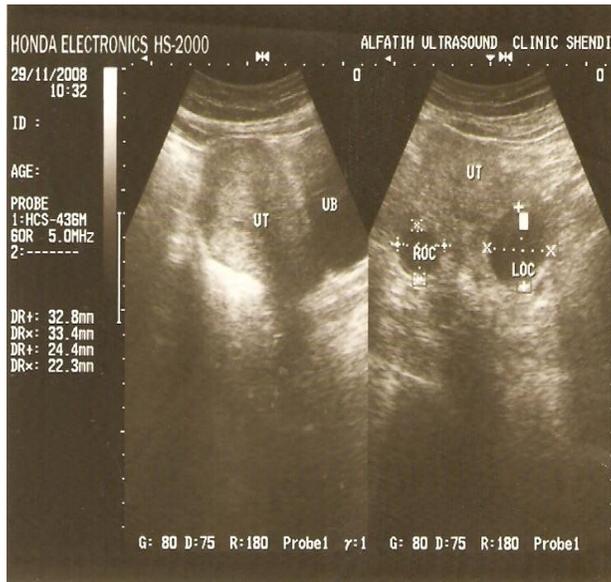

Rt ovarian cyst

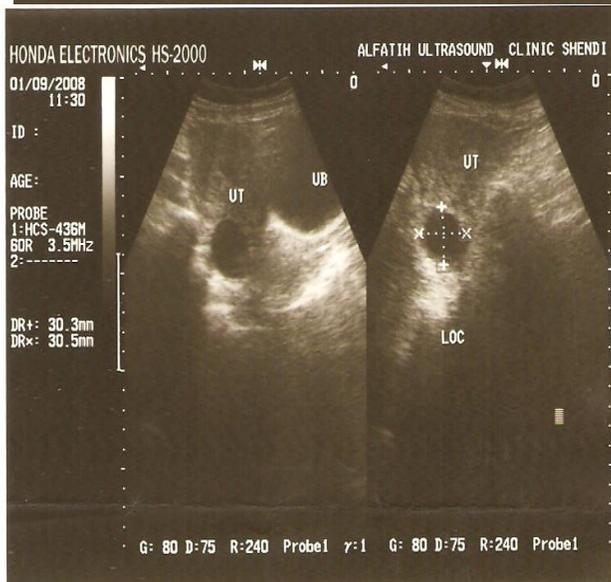

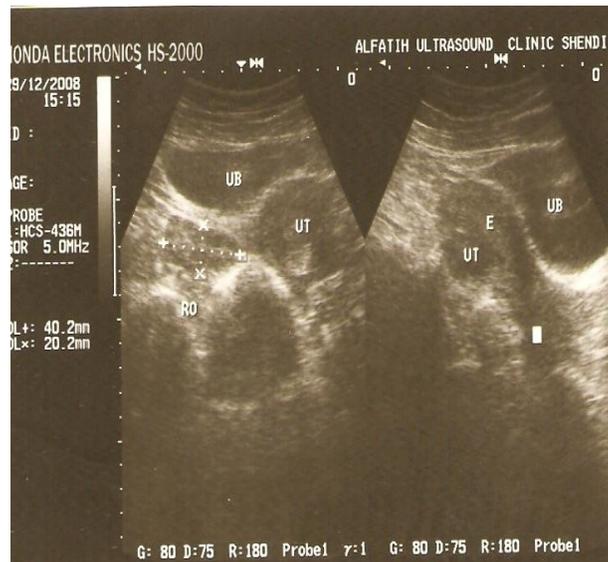

Lt ovarian cyst

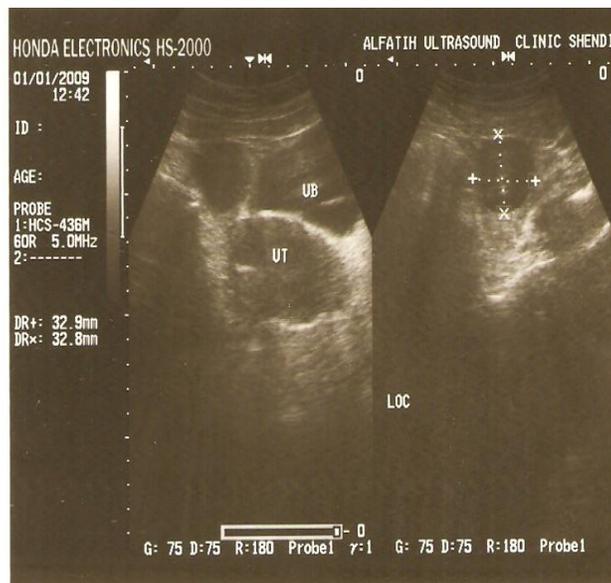

Rt & Lt ovarian cysts

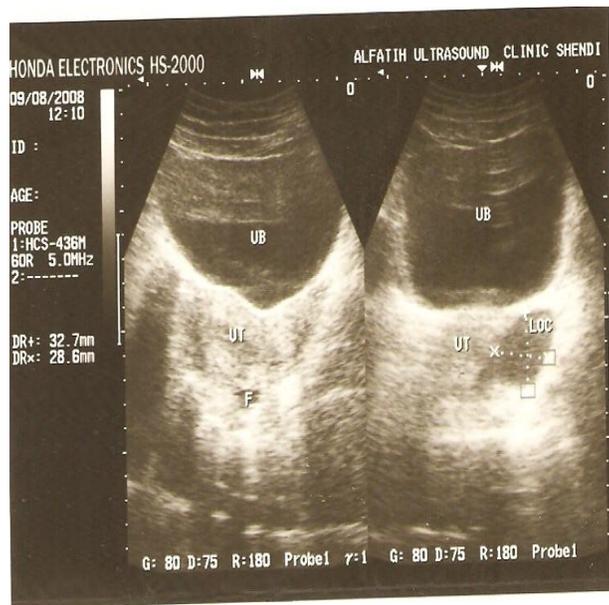

Rt & Lt ovarian cysts

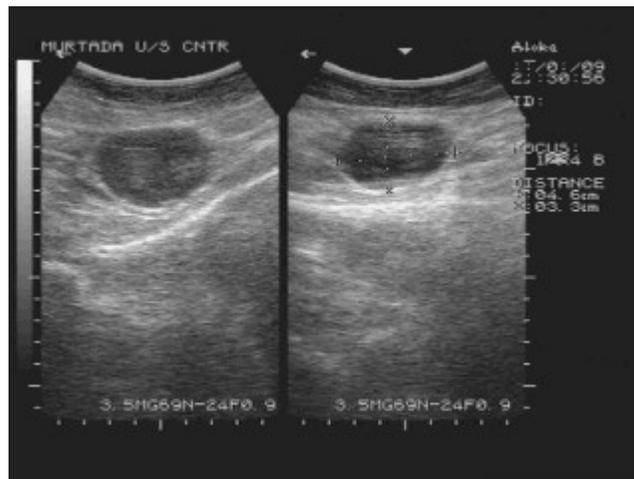

Lt ovarian cyst

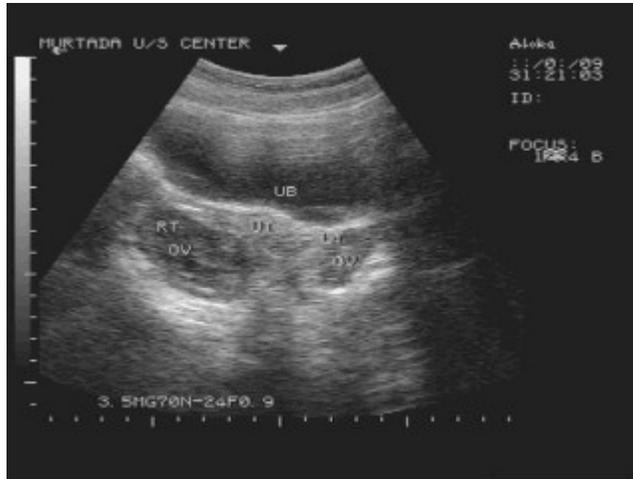

Lt ovarian cyst

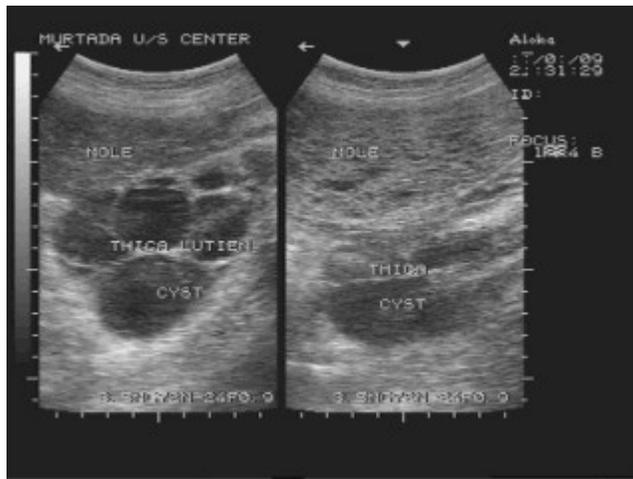

Lt ovarian cyst

Lt ovarian cyst

Pco

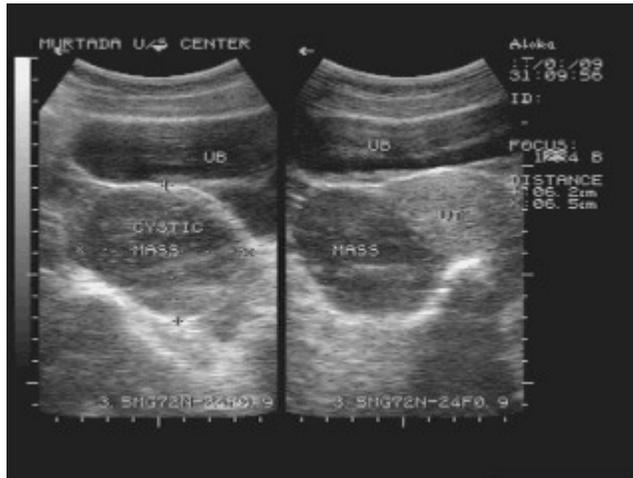

Theca luteal cyst

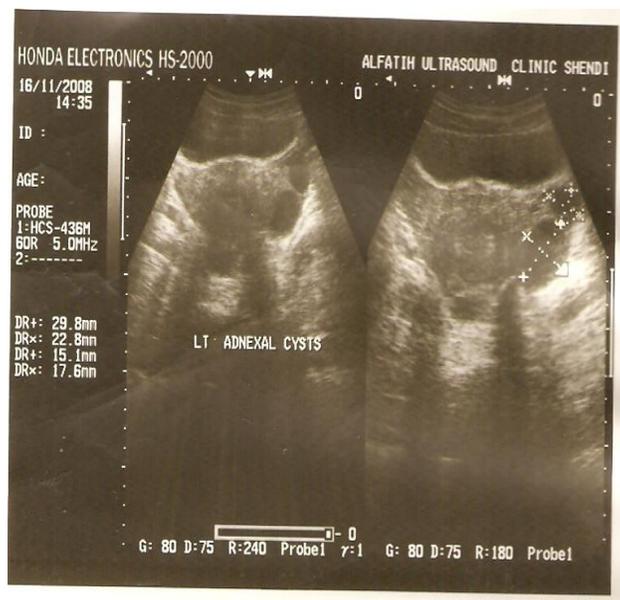

Corpus luteal cyst

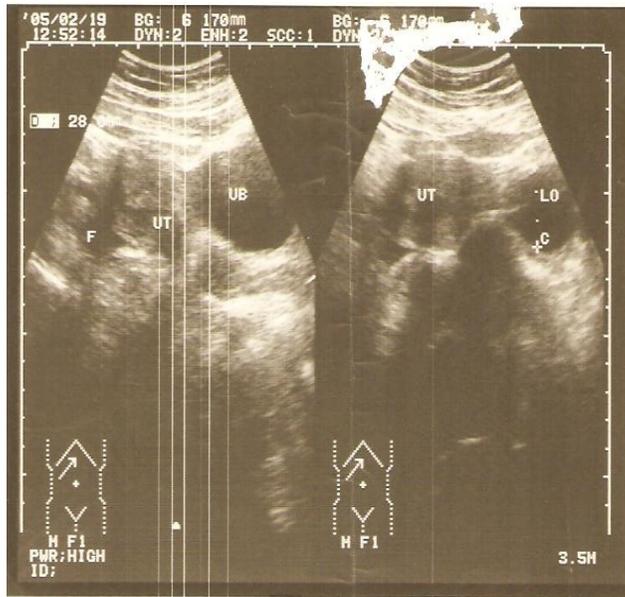

Lt ovarian cyst

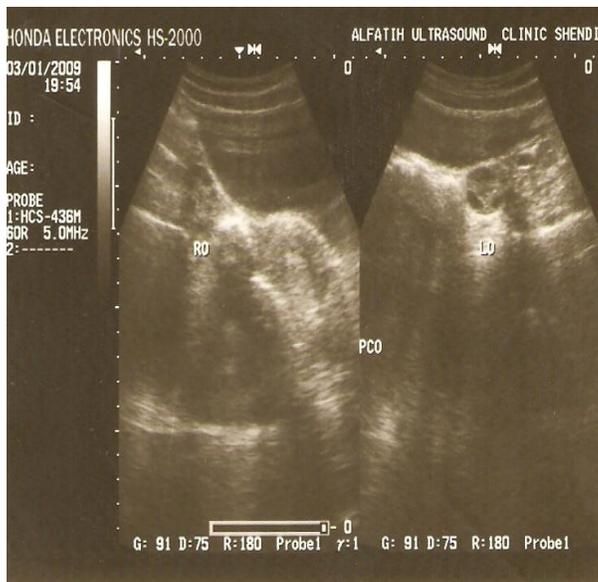

Rt ovarian cyst

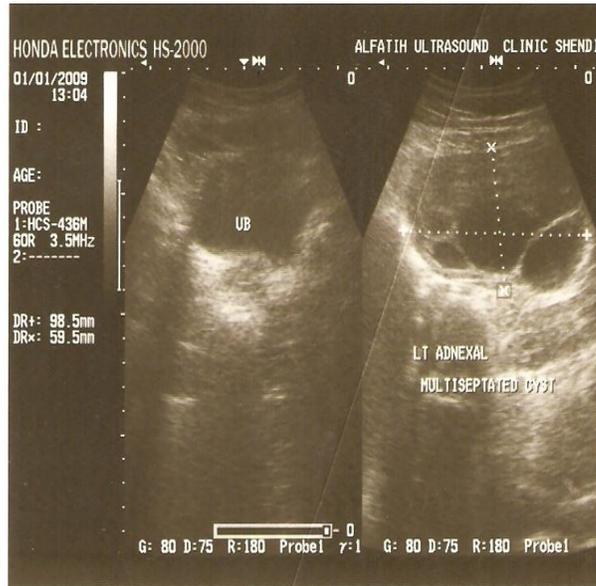

Lt ovarian septated cyst

Fluid collection in pouch of Douglas (f) with lt ovarian septated cyst

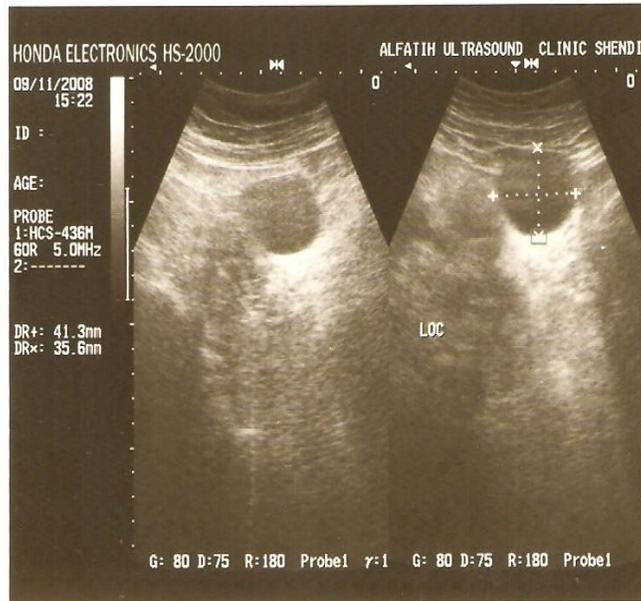

Pco

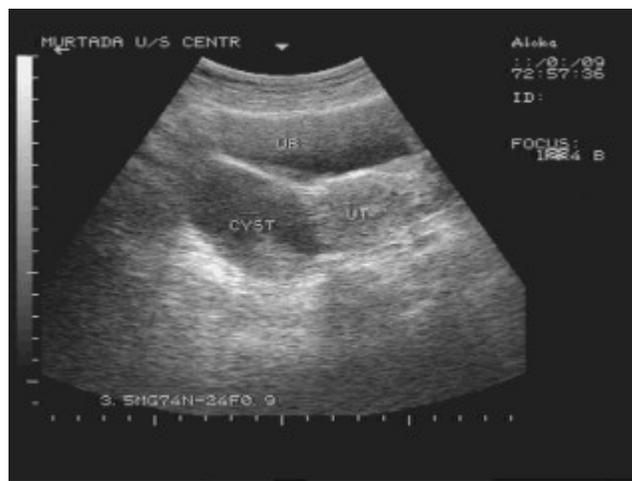

Lt ovary multiseptated cyst (complex mass)

Lt ovarian complex mass

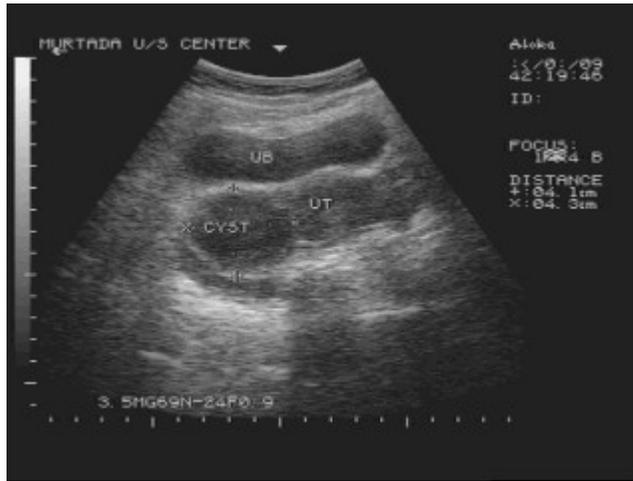

Lt ovarian cyst

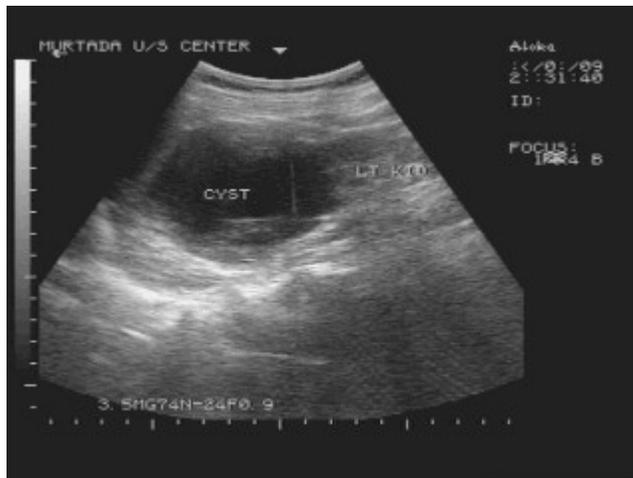

Rt ovarian cyst

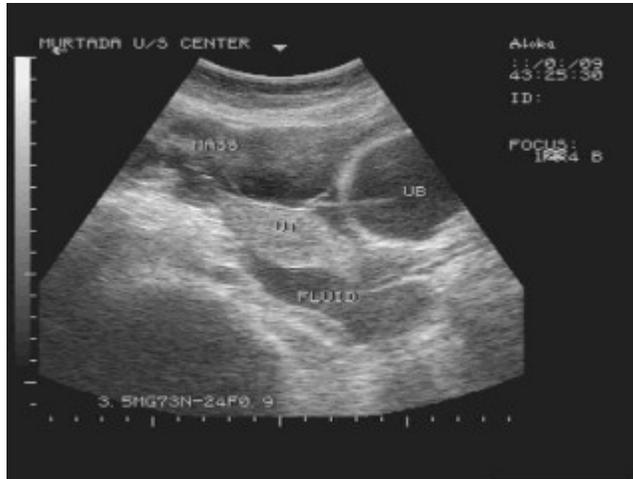

Lt solid ovarian mass

Rt ovarian cyst

Rt ovarian cyst

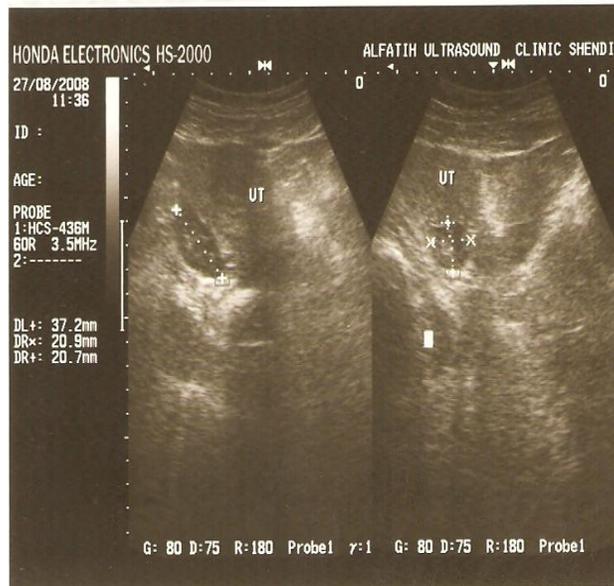

Ovarian mass with free fluid in pouch of douglas

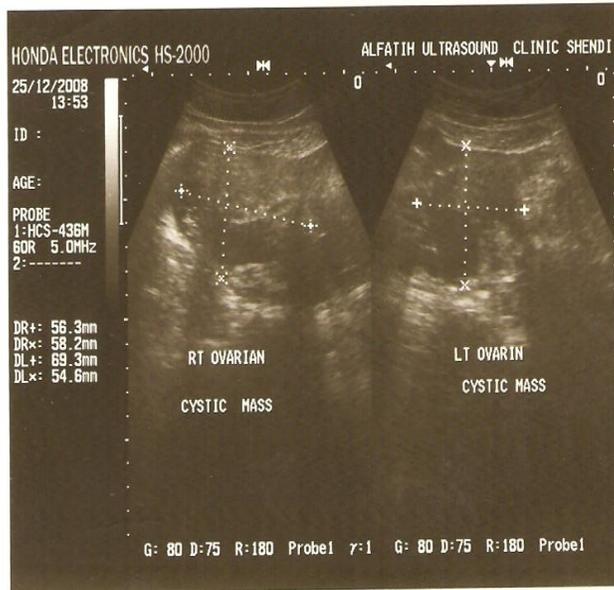

Rt ovarian cyst with septum

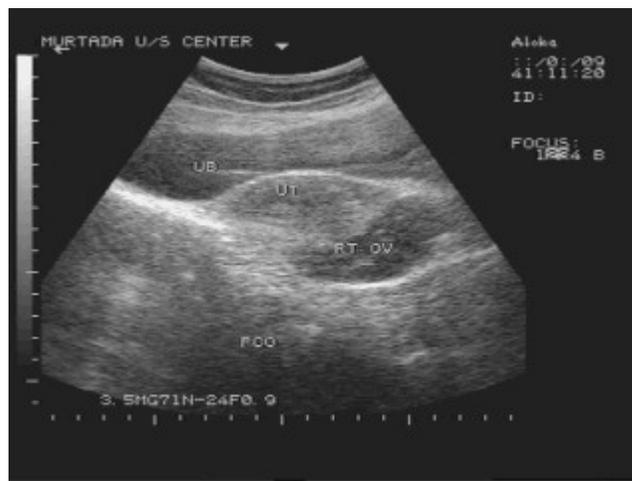

Rt & Lt ovarian solid mass

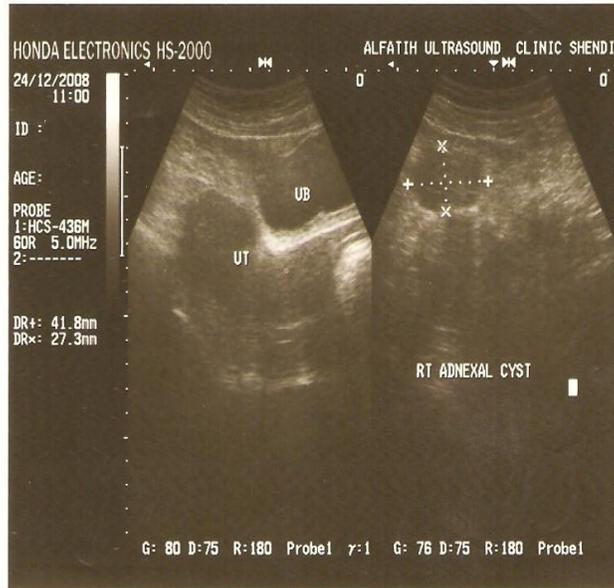

Rt ovarian cyst

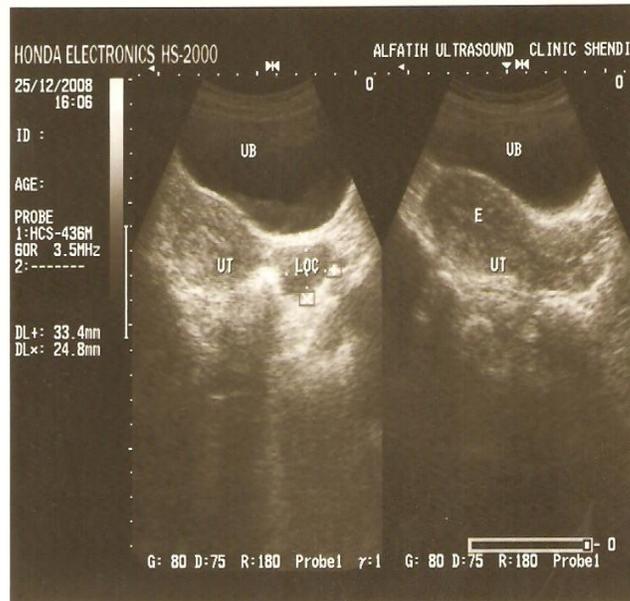

Rt & Lt ovarian cystic masses

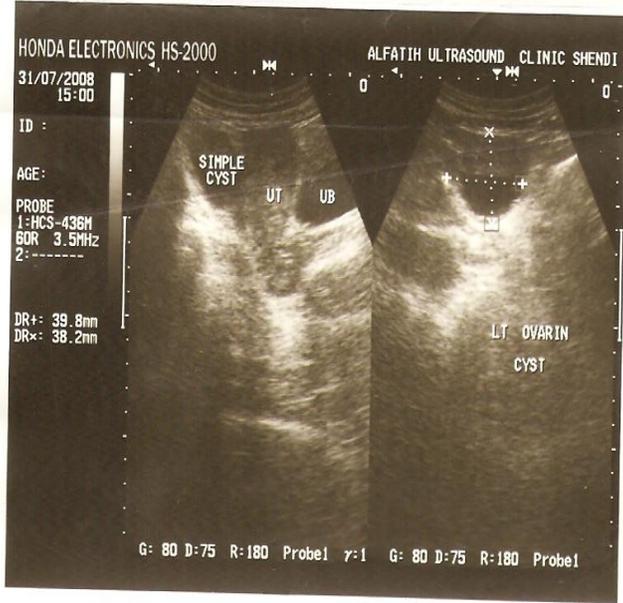

Pco

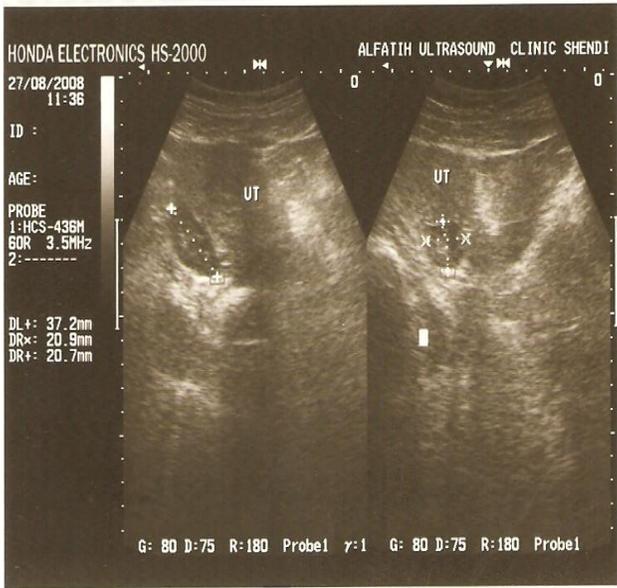

Rt ovarian cyst

Lt ovarian cyst

Lt ovarian cyst

Rt ovarian cyst
