

Acknowledgement

I wish to express my thanks to Sudan University of Science and Technology, particular gratitude is extended to College of Post Graduate Studies.

My special thanks are due to Dr. Al Shifa Ali Mergani my main supervisor for her support, guidance, constructive advices, and her great patience.

Thanks are due also to Ustaz Abdal Mahmoud Hassan El Sheikh, my research's co-supervisor for his supports and advices.

I am indebted to Ustaz Omaia Gismalla, and Dr. Mohammed Badawi who have supported me from the beginning to initialize this study.

My great thanks to all national and international institutes working in the area of North Darfur who have contributed in this forum through offering information is really appreciated for the completion of this study.
