

Dedication

**I dedicate this study to my parents;
Mona and Hassan,
My Sisters, brother, and my close friends.**

Acknowledgements

First of all my thanks are due to the Almighty Allah Who helped me to accomplish this study. I would like to express my gratitude to my supervisor, Dr. Salahedin Adam Ahamed Eldouma , for his encouragement and guidance throughout the study, without his well-designed plan and careful review of the draft, the research would be impossible

Finally, my gratitude are also due to my friends Yassen and Alyagot, who were continuously supporting and encouraging me throughout the study.
