College of Graduate Studies

Programmable Logic Controllers Based

Generator Protection System

نظام حماية لمولد مبني علي المتحكمات المنطقية القابلة للبرمجة

**A Thesis Submitted in Partial Fulfillment for the Requirements of
the Degree of Master of Science in Electrical Engineering**

(Microprocessor & Electronic Control)

Presented By:

Mohammed Elfatih Hassan Ahmed Mohammed

Supervised By:

Ustaz. Abd-Alla Salih Ali

October 2011

Approval Page

The thesis of:

Mohammed Elfatih Hassan Ahmed

is approved.

Thesis title:

*Programmable Logic Controllers Based
Generator Protection System*

External Examiner

Name:

Abdelfattah Bilal Abdelsalam

Sign: *Bilal* Date: *26/10/2011*

2. Internal Examiner

Name:

Dr. Amir Hashim Obeid Ahmed
