ACKNOWLEDGMENT

Thanks be to God before and after, then thanks and appreciation to my supervisor **Dr. Ahemed Ibraheem** who realize what our Prophet said “God loves if one of you did a work, to do it well” this thing encouraged us to do our all effort to prove that we deserve that effort .

Thanks to **Dr. Hago Elfadil** and **Dr. Abdallah Qotbee** who supply us with information and scientific substance they have.

Appreciations to my family from whom I cut this time and they supported me with their all effort.

Also thanks extend to AlaaEldeen Hamad and every one who help me.
